The Trust - Social Justice, through Exceptional Schools

The Central RSA Academies Trust is a group of primary and secondary RSA Academies with a strong link with the RSA. This is an incredibly exciting opportunity to join a forward thinking, Midlands based multi academy Trust with an utter moral drive to ensure the best educational outcomes for our students and striving to make a difference to the lives of our young people.

We currently have eight schools within our Trust, with children from the age of three up to Sixth Form aged young adults. Our schools are in two hubs, in Tipton in the West Midlands and in Redditch, Worcestershire. The schools and their staff work together to ensure the best possible learning for the young people, by supporting each other through expertise and sharing so that our staff can be the best they can be.
