

Oldbury Park Primary RSA Academy Curriculum Map - Year One

Rationale:

This learning has been chosen to build on the children's previous knowledge and interests in transport.

English

In our writing we are reinforcing letter formation and sentence writing, including finger spaces, full stops, and capital letters.

We will be sharing quality story books, to understand the start, middle and end of a story. This includes developing our confidence with retelling stories.

History

Our History learning will focus on transport. We will be thinking about a timeline of events.

The children will use photos to explore how transport has changed over time.

PE

We are learning a firework dance, exploring different movements.

Music

The children will be learning, rehearsing and performing Christmas songs. We are thinking about pitch, pulse and phrases.

KASE

Our curriculum is designed to ensure the children build their knowledge whilst having opportunities to develop important attributes like teamwork and empathy. We plan for a clear progression of skills and provide a wealth of experiences to further their engagement and understanding. We therefore call this our KASE curriculum.

Art

The children will be exploring colour and line through fireworks. We are looking at Kandinsky, focusing on shape, colour and line.

Towards Christmas time, we will be exploring Christmas crafts.

DT

Using the story 'The Way Back Home' we will be designing and making a vehicle, choosing appropriate tools and materials.

PSHE/RE/Thrive

We are looking at different celebrations, including Diwali. The children will also learn all about the story of Christmas.

Maths

We will be focusing on addition and subtraction in our Maths learning. This will include number bonds to 10 and fact families.

The children will also be talking about 2D and 3D shapes.

Computing

We will be learning how to keep safe on the internet.
