Summer Term in Year 4!

Welcome back to the Summer Term! We hope that you enjoyed the Easter break.

PE takes place every Monday however these days are subject to change so please ensure that PE kits are in school daily. Children will continue to go swimming on Thursdays as normal. Please ensure children have hats during warmer weather and that sun cream is applied at home.

Please continue to record in your child's reading diary when they have read at home and remind them to bring it to school daily so that reading at school can also be recorded.

A piece of homework related to each maths topic will continue to be set every Friday to be completed for Monday - ready to be discussed in class. As part of Read Write Inc, the children will select five words to learn that they find most difficult which are recorded in their Log Books. The following week, the children will be tested on six spellings chosen at random from a list of words that we have been focussing on that follow the same spelling rule.

We are always available at the end of the day for an informal chat. If you would like a specific appointment to discuss issues, please do not hesitate to contact the school office.

We appreciate your continued support.

Ms Condon

Miss Andrews

Miss Taylor

Summer Term Learning
