Headteacher: Mrs Sarah Boyce

Summer Term Year 3!

As we begin the final term of Year 3, we are very proud of how your children have grown up and embraced the challenges of KS2. We are looking forward to our final exciting topics!

PE / Forest School

This term PE will be changing to a Monday, as we are very lucky to have a dance specialist who will be leading some sessions on Street Dance with the children. Please ensure PE kit is in school daily, including suitable footwear.

Forest School will continue on Thursdays, alternating with Outdoor PE. Please check weekly words for more information. As the weather warms, we will hopefully not need as many layers for Forest School however a long sleeve top and trousers are essential for safety purposes. We also encourage children to wear a sun hat for any outdoor activities.

Homework

Thank-you to all parents and children who are keeping up to date with regular reading and Mathletics. Just to clarify we also send home Read, Write Inc homework with every child. Read, Write Inc is the scheme we follow in school to help improve spelling. Children add spellings to their log books throughout the week that they are learning in class. These need to be practised regularly for spelling tests on Mondays.

Finally, please remember we are here to have fun, to learn and to keep your child safe. Therefore, please come and speak to us straight away with any concerns.

Mrs Marks and Ms Condon

Summer Term Learning
