

Wonderful Worcestershire Homework for October Half-Term Holiday 2018

We invite you to take up a challenge to visit somewhere in Worcestershire that makes you proud of the county you live in. This could be anywhere! Learn about what makes it special and take some photos to bring into school.

Stick your pictures on this page below. Alternatively, you could draw a sketch, or make or collect a leaflet from your trip. Please return these to school by Friday 9th November. We look forward to hearing about where you have been and what you found out. Enjoy!
