

VIKINGS
793 - 1066 A.D.

Here are the parts of the UK that were invaded by the Vikings. Can you name the modern-day counties in these areas?

Key text:

This is the Viking alphabet. Do you know the technical name given to the letters?

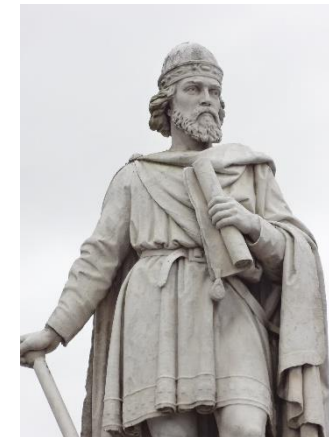

VIKINGS!

York was a very prominent Viking city. It was known as Jorvik. Viking remains are still being found around the city.

Scandinavian seafaring pirates and traders who raided and settled in many parts of north-western Europe in the 8th–11th centuries.

Who is this English King? Why is he so famous?

These are typical Viking shields. What were they used for? Why did they have different designs on the front?

Vikings believed in the afterlife hoping to reach Valhalla by dying honourably in battle.

This is how Vikings used to travel. What are these boats called?
