

Expedition Express

Animals and their Habitats

Comparing hot and cold locations

Polar bears have adapted to their environment with their thick skin, large feet and camouflaged fur.

Can you name any animals that are well suited to live in hot locations?

The Bee Musical performed by Year 2!

Key Geographical Skill for Year 2
— To name and locate the Continents and Oceans of the World.

"We're going on a bug hunt,
We're going to catch a small one,
We're not scared..."

Can you practise counting on and back in 3s?

0, 3, 6, 9, 12, 15, 18, 21, 24, 27, 30, 33, 36.

Plants need water, air, sunlight and nutrients to grow.

What do plants need to stay alive and healthy?
