Dear Parents/Carers

SWIMMING GOGGLE PERMISSION – 2019/2020

For safety reasons children are not encouraged to wear goggles. However, should you wish your child to wear goggles, please complete the slip below.

The school is required to convey the following information:

- There is a British Standard for manufacturers of goggles. Buy these or a well-known brand name. Avoid cheap and easily splintered goggles. Check that the rims are well padded and there are no rough edges.
- Before using goggles rinse them in the pool. This helps to prevent ‘misting up’. Should they fill up with water, or mist up, while in use remove them completely to clear. Goggles should be taken off by pushing them up and then off the top of the head. Goggles should never be pulled forward as they could fly back into the face and cause serious eye injury.

(Worcestershire County Council)

Whilst the teaching staff are committed to ‘good practice’ and exercise great care of the pupils in their charge, they cannot accept responsibility for accidents related to the wearing of goggles.

Yours sincerely
