Now that the children are settling into a routine, please leave your child where the Leadership Team stand, and pass on any messages to them so that the staff at the door can concentrate on making your child feel welcome as they come into school. Many thanks.

Year 6 WOW Day

On Thursday 17th of October, Year 6 will be having a WOW day in Forest School!

This will link to our Roaming Wild Topic as we will be learning more about North and South America, as well as taking inspiration from our class book 'The Explorer' for some other activities.

Please can all children bring in forest school kit (long sleeves and long trousers), with wellies and a waterproof coat. As the weather may be getting colder, please pack extra layers for them to put on. Thank you, Year 6.

ALDI Vouchers

As you may be aware, ALDI (one of our local supermarkets) has started an initiative to promote sport and physical activity in schools. For every £30 spent, ALDI will give customers a sticker (these will have a picture of a famous sports player on) to bring into school. We have to put the stickers onto a poster. For each poster completed, we will receive a bag of sports equipment to be used in school. In addition to this, we will be entered into a national draw, where 20 lucky schools win £20,000 to support PE and sport in school!

Thank you to those who have already brought stickers into school. We will be collecting them, so would appreciate any donations. They can be sent in with your child, dropped at the office or handed to a member of staff. The closing date is 3rd November, so vouchers need to be in school before this date.

Thank you in advance of your support.

The Digital Parenting Guide

You will be aware that this week, your child brought home a copy of 'The Digital Parenting Guide' (produced by Parent Zone and the Vodafone Foundation). It contains expertly-written content on topics such as screen time, gaming, sleep and social media. Please take some time to have a look through it, as it is designed to help families set healthier digital boundaries while enjoying all the benefits tech has to offer.
