

Mission Impossible!

Reception Spring | 2020

Key Text: Superkid by Claire Freedman and Sarah McIntyre

This half term we will become superheroes of learning! We will explore what skills superheroes need to complete missions and we will develop our own resilience to tackle challenges. We will be taking part in a superhero camp!

The Characteristics of Effective Learning are an important part of each day in Reception. This half term we are focusing on:

- Keeping on trying (persevering parrot)
- Making links (slinky-linky snake)

Challenge- Can you create a superhero comic strip using the different times of day?

Key Vocabulary:

- bravery
- courage
- invisible
- invincible
- villain
- rescue

What makes a superhero super?

What makes you a superhero?

Mathematics

Can you compare two or more objects? Which object is the heaviest? Which is the lightest? How do we order items by their weight? Do you have anything at home you can use to weigh objects?

Can you measure how long something takes to complete? What can you do in a minute? In an hour? In a day?

Challenge- Can you take photographs of different objects around your house? What material are the objects made from?

This half term, our skill for learning and for life is:

COMMUNICATION

We can't wait to work on our communication skills to help us to complete superhero missions!

Can you choose at least one challenge to complete at home with your family? We would love to see any photographs or drawings of your challenge.

Challenge- Can you design and make your own super hero costume?

Understanding the World

Which material is best for a vehicle to travel furthest and fastest?

How do we save an object from ice without breaking it?

How do we save the planet by recycling?

Key Vocabulary:

- flat
- smooth
- bumpy
- freeze
- melting
- heat
- energy
- distance
- speed
