Key / Critical Workers request for Children attending School

As the government has now released details around education for the children of key and critical workers, we need you to fill in the form below. This must be completed before you leave your child at school with us.

The government has asked parents to keep their children at home, wherever possible, and asked schools to remain open only for those children who **ABSOLUTELY NEED** to attend. The fields below have been listed in order of priority by the government, and we will be using this to prioritise supervision if low staffing levels mean we cannot accommodate everyone.

Children CAN ONLY attend on the hours / days you are at work.

Please let us have the information below if you are a KEY / CRITICAL WORKER and you are UNABLE to arrange alternative childcare. Further details around those considered key workers is available here: <https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>
