Dear Parents and Carers of our Year 6 Children

I wanted to write on behalf of all those involved to thank you all for your most generous gifts that we have received.

The flowers for everyone were beautiful. We all have them in our homes and are enjoying how pretty and scented they are.

The bears and rabbits took our breath away. They are so amazing! All made out of Oldbury Park uniform and individually named. These will all definitely be treasured.

The wooden hearts from the 'lockdown leavers' are so special with all the children's names on – again something we will all treasure. What a thoughtful idea which must have taken ages to organise.

The chocolates and Prosecco are always favourites with teachers! Thank you for those, particularly from those of us who still have them to look forward to and haven't eaten them already!

This year of children in Year 6 have been exceptional. I feel particularly fond of them from a personal point of view because I started with them on their first day at school and now I am leaving with them. I will always remember them individually and it has been a pleasure and a privilege to watch them grow and flourish. Thank you for supporting them through Oldbury Park.

With our love and thanks to you all as the children take their next step on their journey.
